Dear Ms Tang

Kairos Minerals Limited (ASX: KAI) - Request for Trading Halt

Pursuant to ASX Listing Rule 17.1, Kairos Minerals Limited ACN 006 189 331 (**Company**) requests that the ASX grants a trading halt with respect to the Company's shares.

The Company provides the following information regarding this request

1. the reason for the trading halt is that the Company intends to make a material announcement regarding exploration results at the Company's Pilbara Gold project, Western Australia;
2. the Company requests that the trading halt continues until the earliest of:
 - (a) the Company making an ASX announcement regarding a resource upgrade;
 - (b) the open of trading on 13 September 2018; and
 - (c) the Company separately requests that the trading halt be lifted.
3. the Company expects that the ASX announcement will be made as soon as possible, and in any event, prior to the open of trading on 13 September 2018;
4. the Company considers that the trading halt is necessary as otherwise trading in the Company's shares would continue on an uninformed basis; and
5. the Company is not aware of any reason why a trading halt should not be granted or any other information necessary to inform the market about the requested trading halt.

Yours sincerely

Mr Adrien Wing
Company Secretary
